The Sweet Treat: If you're looking for something fancier than the regular and decaf coffee provided at the Sunflower Summit, skip Starbucks and check out the Sweet Shop, a coffee shop at the Hutchinson Career & Technical Education Academy. It is operated by Hutchinson High School business students. Students are in charge of all aspects of the business and make all the marketing decisions. All profit goes to HHS DECA. The income is used to pay for all costs associated with being part of DECA. Students in DECA receive dress clothes and graduating seniors are given scholarships. The shop will be open through lunch.
